2011 Merit Award Winner: City of Minneapolis Hiawatha Maintenance Facility

2011 Merit Award Winner: Highpoint Center for Printmaking

2011 Merit Award Winner: Youth Opportunity Center at YouthLink

2013 Merit Awards

Unique in its approach to creating a jury, these awards encompass the views of business professionals, real estate developers, community advocates, and academic leaders as well as architects. The Merit Awards are bestowed to projects by AIA Minneapolis architects that tell a story of excellence beyond design, reflecting the variety of forces that shape a building.

The awards were presented at the AIA Minneapolis luncheon in June. [Click here](#) for the press release.

2013 WINNERS:
